

Partner facility survey

A call to Padel Arenas & Clubs

Padel Managers:

As we begin PadElle's journey we would like to learn which padel arenas in Sweden would be interested in collaborating with PadElle hosting our signature events tailored to enhance women's involvement in the sport of padel.

Our partnership will make collaborators part of our journey during 2024 on an exclusive basis.

Our events consider padel workshops, events, and tournaments from 16 to 48 people, and above. If your club is interested and ready to be part of our new adventure please fill out [this form](#)

Warmest regards,

Team PadElle
